Claims

Notice of Claim

Written notice of claim must be given to CG within 30 days after the occurrence or start of the loss on which claim is based. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice was given as soon as was reasonably possible.

Claim Forms

When CG receives the notice of claim, it will give to the claimant, or to the Policyholder for the claimant, the claim forms which it uses for filing proof of loss. If the claimant does not get these claim forms within 15 days after CG receives notice of claim, he will be considered to meet the proof of loss requirements of the policy if he submits written proof of loss within 90 days after the date of loss. This proof must describe the occurrence, character and extent of the loss for which claim is made.

Proof of Loss

Written proof of loss must be given to CG within 90 days after the date of the loss for which claim is made. If written proof of loss is not given in that time, the claim will not be invalidated or reduced if it is shown that written proof of loss was given as soon as was reasonably possible.

Physical Examination

CG, at its own expense, will have the right to examine any person for whom claim is pending as often as it may reasonably require.

Legal Actions

Where CG has followed the terms of the policy, no action at law or in equity will be brought to recover on the policy until at least 60 days after proof of loss has been filed with CG or, if applicable, as described in the section "Complaints and Administrative Appeals Regarding Contractual Benefits, Quality of Care and Services." No action will be brought at all unless brought within 3 years after the time within which proof of loss is required.

You will become eligible for insurance on the day you complete the waiting period if:

- you are in a Class of Eligible Employees; and
- you are an eligible, full-time Employee; and
- you normally work at least 20 hours a week.

If you were previously insured and your insurance ceased, you must satisfy the Waiting Period to become insured again. If your insurance ceased because you were no longer employed in a Class of Eligible Employees, you are not required to satisfy any waiting period if you again become a member of a Class of Eligible Employees within one year after your insurance ceased.

Eligibility for Dependent Insurance

You will become eligible for Dependent insurance on the later of:

- the day you become eligible for yourself; or
- the day you acquire your first Dependent.

Waiting Period

Employee Group: Date of hire.

Classes of Eligible Employees

Each Employee as reported to the insurance company by your Employer.

GM6000 ELI110

Employee Insurance

This Plan is offered to you as an Employee. To be insured, you will have to pay the cost.

Effective Date of Your Insurance

You will become insured on the date you elect the insurance by signing an approved payroll deduction form, but no earlier than the date you become eligible. If you are a Late Entrant, your insurance will not become effective until CG agrees to insure you.

You will become insured on your first day of eligibility, following your election, if you are in Active Service on that date, or if you are not in Active Service on that date due to your health status. However, you will not be insured for any loss of life, dismemberment or loss of income coverage until you are in Active Service.

Late Entrant - Employee

You are a Late Entrant if:

- you elect the insurance more than 30 days after you become eligible; or
- you again elect it after you cancel your payroll deduction.

CG may require evidence of good health to be provided at your expense if you are a Late Entrant.

GM6000 ELI191V1

Dependent Insurance

For your Dependents to be insured, you will have to pay the cost of Dependent Insurance.

Effective Date of Dependent Insurance

Insurance for your Dependents will become effective on the date you elect it by signing an approved payroll deduction form, but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included.

If you are a Late Entrant for Dependent Insurance, the insurance for each of your Dependents will not become effective until CG agrees in writing to insure that Dependent.

Your Dependents will be insured only if you are insured.

Late Entrant – Dependent

You are a Late Entrant for Dependent Insurance if:

- you elect that insurance more than 30 days after you become eligible for it; or
- you again elect it after you cancel your payroll deduction.

CG may require evidence of your Dependent's good health at your expense if you are a Late Entrant.

GM6000 ELI112

Important Information about Your Dental Plan

When you elected Dental Insurance for yourself and your Dependents, you elected one of the two options offered:

- **CIGNA Dental Care; or**
- **CIGNA Dental Preferred Provider.**

Details of the benefits under each of the options are described in separate certificates/booklets.

When electing an option initially or when changing options as described below, the following rules apply:

- **You and your Dependents may enroll for only one of the options, not for both options.**
- **Your Dependents will be insured only if you are insured and only for the same option.**

Change in Option Elected

If your plan is subject to Section 125 (an IRS regulation), you are allowed to change options only at Open Enrollment or when you experience a “Life Status Change.”

If your plan is not subject to Section 125 you are allowed to change options at any time.

Consult your plan administrator for the rules that govern your plan.

Effective Date of Change

If you change options during open enrollment, you (and your Dependents) will become insured on the effective date of the plan. If you change options other than at open enrollment (as allowed by your plan), you will become insured on the first day of the month after the transfer is processed.

GM6000 DEN198V6

CIGNA Dental Preferred Provider Insurance

The Schedule

For You and Your Dependents

The Dental Benefits Plan offered by your Employer includes Participating and non-Participating Providers. If you select a Participating Provider, your cost will be less than if you select a non-Participating Provider.

Emergency Services

The Benefit Percentage payable for Emergency Services charges made by a non-Participating Provider is the same Benefit Percentage as for Participating Provider Charges. Dental Emergency services are required immediately to either alleviate pain or to treat the sudden onset of an acute dental condition. These are usually minor procedures performed in response to serious symptoms, which temporarily relieve significant pain, but do not effect a definitive cure, and which, if not rendered, will likely result in a more serious dental or medical complication.

Deductibles

Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.

Participating Provider Payment

Participating Provider services are paid based on the Contracted Fee agreed upon by the provider and the Insurance Company.

Non-Participating Provider Payment

Non-Participating Provider services are paid based on the Maximum Reimbursable Charge. For this plan, the Maximum Reimbursable Charge is calculated at the 90th percentile of all provider charges in the geographic area.

Standard Carryover Provision

Dental Expenses that were incurred and applied toward the Individual or Family Deductible during the last 3 months of the calendar year will be applied toward the next year's Deductible.

Simultaneous Accumulation of Amounts

Benefits paid for Participating and non-Participating Provider services will be applied toward both the Participating and non-Participating Provider maximum shown in the Schedule.

Expenses incurred for either Participating or non-Participating Provider charges will be used to satisfy both the Participating and non-Participating Provider Deductibles shown in the Schedule.

Class IV Lifetime Maximum	\$1,000	\$1,000

Covered Dental Expense

Covered Dental Expense means that portion of a Dentist’s charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- for Class I, II or III the service is started and completed while coverage is in effect, except for services described in the “Benefits Extension” section.

GM6000 DEN160

V4

Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, CG recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist’s proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by CG’s dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

CG will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, CG will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended (when charges exceed \$200).

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

GM6000 DEN161 M

Missing Teeth Limitation

The amount payable for the replacement of teeth that are missing when a person first becomes insured is 50% of the amount payable for the replacement of teeth that are extracted after a person has dental coverage.

This payment limitation no longer applies after 24 months of continuous coverage.

GM6000 DEN165

Late Entrant Limit

Coverage for late entrants:

- Class I and Class II services are paid at the amounts set forth in The Schedule.
- All other classes of service are paid at 50% of the amounts set forth in The Schedule.
- After a person has been continuously insured for 24 months, this limit no longer applies.

GM6000 DEN172

Covered Services

The following section lists covered dental services. CG may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to CG.

GM6000 DEN166V2

GM6000 GEN312V4

Coordination of Benefits

Purpose of This Provision

You or any one of your Dependents may be covered for health benefits or services by more than one Plan. For instances, you may be covered by this plan as an employee and by another plan as a Dependent of your spouse. If you or your Dependents are covered by more than one Plan, this provision allows CG to coordinate what CG pays or provides with what another Plan pays or provides. This provision sets forth the rules for determining which plan is the primary plan and which plan is the secondary plan. Coordination of benefits is intended to avoid duplication of benefits while at the same time preserving certain rights to coverage under all Plans under which you or your Dependent are covered.

Definitions

The words shown below have special meanings when used in this provision. Please read these definitions carefully.

Allowable Expense: The charge for any health care services, supply or other item of expense for which you or your Dependent are liable when the health care service, supply or other item of expense is covered at least in part under any of the Plans involved, except where a statute requires another definition, or as otherwise stated below.

When this Plan is coordinating benefits with a Plan that provides benefits only for dental care, vision care, prescription drugs or hearing aids. Allowable Expense is limited to like items of expense.

CG will not consider the difference between the cost of a private hospital room and that of a semi-private hospital room as an Allowable Expense unless the stay in a private room is Medically Necessary and appropriate.

When this Plan is coordinating benefits with a plan that restricts coordination of benefits to a specific coverage, CG will only consider corresponding services, supplies or items of expense to which coordination of benefits applies as an Allowable Expense.

Claim Determination Period: A Calendar Year, or any portion of a Calendar Year, during which you or your Dependent(s) are covered by this Plan and at least one other Plan and incur one or more Allowable Expense(s) under such plans.

GM6000 COR91

Plan: Coverage with which coordination of benefits is allowed. Plan includes:

- a) Group insurance and group subscriber contracts, including insurance continued pursuant to a Federal or State continuation law;
- b) Self-funded arrangements of group or group-type coverage, including insurance continued pursuant to a Federal or State continuation law;
- c) Group or group-type coverage through a health maintenance organization (HMO) or other prepayment, group practice and individual practice plans, including insurance continued pursuant to a Federal or State continuation law;
- d) Group hospital indemnity benefit amounts that exceed \$150 per day;
- e) Medicare or other governmental benefits, except when, pursuant to law, the benefits must be treated as in excess of those of any private insurance plan or non-governmental plan.

Plan does not include:

- a) Individual or family insurance contracts or subscriber contracts;
- b) Individual or family coverage through a health maintenance organization or under any other prepayment, group practice and individual practice plans;
- c) Group or group-type coverage where the cost of coverage is paid solely by the employee, member or subscriber, except that coverage being continued pursuant to a Federal or State continuation law will be considered a Plan;
- d) Group hospital indemnity benefit amounts of \$150 per day or less;
- e) School accident-type coverage;
- f) A State plan under Medicaid.

Primary Plan: A Plan whose benefits you or your dependent’s health care coverage must be determined without taking into consideration the existence of any other Plan. There may be more than one Primary Plan. A Plan will be the Primary Plan if either “a” or “b” below exist:

- a) The Plan has no order of benefit determination rules, or it has rules that differ from those contained in this coordination of Benefits and Services provision; or
- b) All Plans which cover the covered person use order of benefit determination rules consistent with those contained in the Coordination of Benefits and Services provision and under those rules, the plan determines its benefits first.

Reasonable and Customary: An amount that is not more than the usual or customary charge for the service or supply as determined by CG, based on a standard which is most often charged for a given service by a Provider within the same geographic area.

GM6000 COR92

Secondary Plan: A Plan which is not a Primary Plan. If you or your Dependent(s) are covered by more than one Secondary Plan, the order of benefit determination rules of this Coordination of Benefits and Services provision will be used to determine the order in which the benefits payable under the multiple Secondary Plans are paid in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under this Coordination of Benefits and Services provision, has its benefits determined before those of that Secondary Plan.

Primary and Secondary Plan

CG considers each plan separately when coordinating payments.

The Primary Plan pays or provides services or supplies first, without taking into consideration the existence of a Secondary Plan. If a Plan has no coordination of benefits provision, or if the order of benefit determination rules differ from those set forth in these provisions, it is the Primary Plan.

A Secondary Plan takes into consideration the benefits provided by a Primary Plan when, according to the rules set forth below, the plan is the Secondary Plan. If there is more than one Secondary Plan, the order of benefit determination rules determine the order among the Secondary Plans. During each claim determination period the Secondary Plan(s) will pay up to the remaining unpaid allowable expenses, but no Secondary Plan will pay more than it would have paid if it had been the Primary Plan. The method the Secondary Plan uses to determine the amount to pay is set forth below in the “Procedures to be Followed by the Secondary Plan to Calculate Benefits” section of this provision.

The Secondary Plan will not reduce Allowable Expenses for medically necessary and appropriate services or supplies on the basis that precertification, preapproval, notification or second surgical opinion procedures were not followed.

Rules for the Order of Benefit Determination

The benefits of the Plan that covers the person as an employee, member, subscriber or retiree will be determined before those of the Plan that covers the person as a Dependent. The coverage as an employee, member, subscriber or retiree is the Primary Plan.

The benefits of the Plan that covers the person as an employee who is neither laid off nor retired, or as a dependent of such person, will be determined before those for the Plan that covers the person as a laid off or retired employee, or such a person’s Dependent. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision will be ignored.

GM6000 COR93

The benefits of the Plan that covers the person as an employee, member, subscriber or retiree, or Dependent of such person, will be determined before those of the Plan that covers the person under a right of continuation pursuant to Federal or State law. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision will be ignored.

If a child is covered as a Dependent under Plans through both parents, and the parents are neither separated nor divorced, the following rules apply:

- a) The benefits of the Plan of the parent whose birthday falls earlier in the Calendar Year will be determined before those of the parent whose birthday falls later in the Calendar Year.
- b) If both parents have the same birthday, the benefits of the Plan which covered the parent for a longer period of time will be determined before those of the plan which covered the other parent for a shorter period of time.
- c) "Birthday," as used above, refers only to month and day in a calendar year, not the year in which the parent was born.
- d) If the other plan contains a provision that determines the order of benefits based on the gender of the parent, the birthday rule in this provision will be ignored.

If a child is covered as a Dependent under Plans through both parents, and the parents are separated or divorced, the following rules apply:

- a) The benefits of the Plan of the parent with custody of the child will be determined first.
- b) The benefits of the Plan of the spouse of the parent with custody will be determined second.
- c) The benefits of the Plan of the parent without custody will be determined last.
- d) If the terms of a court decree state that one of the parents is responsible for the health care expenses for the child, and if the entity providing coverage under that Plan has actual knowledge of the terms of the court decree, then the benefits of that plan will be determined first. The benefits of the plan of the other parent will be considered as secondary. Until the entity providing coverage under the plan has knowledge of the terms of the court decree regarding health care expenses, this portion of this provision will be ignored.

If the above order of benefits does not establish which plan is the Primary Plan, the benefits of the Plan that covers the employee, member or subscriber for a longer period of time will be determined before the benefits of the Plan(s) that covered the person for a shorter period of time.

GM6000 COR94

Procedures to be Followed by the Secondary Plan to Calculate Benefits

In order to determine which procedure to follow it is necessary to consider:

- a) The basis on which the Primary Plan and the Secondary Plan pay benefits; and
- b) Whether the provider who provides or arranges the services and supplies is in the network of either the Primary Plan or the Secondary Plan.

Benefits may be based on the Reasonable and Customary Charge (R & C), or some similar term. This means that the provider bills a charge and the covered person may be held liable for the full amount of the billed charge. In this section, a Plan that bases benefits on a reasonable and customary charge is called an "R & C Plan."

Benefits may be based on a contractual fee schedule, sometimes called a negotiated fee schedule, or some similar term. This means that although a provider, called a network provider, bills a charge, the covered person may be held liable only for an amount up to the negotiated fee. In this section, a Plan that bases benefits on a negotiated fee schedule is called a "Fee Schedule Plan." If the covered person uses the services of a non-network provider, the plan will be treated as an R & C Plan even though the plan under which he or she is covered allows for a fee schedule.

Payment to the provider may be based on a "capitation." This means that the HMO or other plan pays the provider a fixed amount per covered person. You or your dependent will be liable only for the applicable deductible, coinsurance or copayment. If you or your dependent uses the services of a non-network provider, the HMO or other plan will only pay benefits in the event of emergency care or urgent care. In this section, a Plan that pays providers based upon capitation is called a "Capitation Plan."

In the rules below, "provider" refers to the provider who provides or arranges the services or supplies and "HMO" refers to a health maintenance organization plan.

Primary Plan is R & C Plan and Secondary Plan is R & C Plan

The Secondary Plan will pay the lesser of:

- a) The difference between the amount of the billed charges and the amount paid by the Primary Plan; or
- b) The amount the Secondary Plan would have paid if it had been the Primary Plan.

When the benefits of the Secondary Plan are reduced as a result of this calculation, each benefit will be reduced in proportion, and the amount paid will be charged against any applicable benefit limit of the plan.

GM6000 COR95

Primary Plan is Fee Schedule Plan and Secondary Plan is Fee Schedule Plan

If the provider is a network provider in both the Primary Plan and the Secondary Plan, the Allowable Expense will be the fee schedule of the Primary Plan. The Secondary Plan will pay the lesser of:

- a) The amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- b) The amount the Secondary Plan would have paid if it had been the Primary Plan.

The total amount the provider receives from the Primary Plan, the Secondary Plan and the covered person will not exceed the fee schedule of the Primary Plan. In no event will you or your dependent be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

Primary Plan is R&C Plan and Secondary Plan is Fee Schedule Plan

If the provider is a network provider in the Secondary Plan, the Secondary Plan will pay the lesser of:

- a) The difference between the amount of the billed charges for the Allowable Expenses and the amount paid by the Primary Plan; or
- b) The amount the Secondary Plan would have paid if it had been the Primary Plan.

You or your dependent will only be liable for the copayment, deductible or coinsurance under the Secondary Plan if you or your dependent have no liability for copayment, deductible or coinsurance under the Primary Plan and the total payments by both the Primary and Secondary Plans are less than the provider's billed charges. In no event will you or your dependent be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is R & C Plan

If the provider is a network provider in the Primary Plan, the Allowable Expense considered by the Secondary Plan will be the fee schedule of the Primary Plan. The Secondary Plan will pay the lesser of:

- a) The amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- b) The amount the Secondary Plan would have paid if it had been the Primary Plan.

GM6000 COR96

Primary Plan is Fee Schedule Plan and Secondary Plan is R & C Plan or Fee Schedule Plan

If the Primary Plan is an HMO plan that does not allow for the use of non-network providers except in the event of urgent care or emergency care and the service or supply you or your dependent receive from a non-network provider is not considered as urgent care or emergency care, the Secondary Plan will pay benefits as if it were the Primary Plan.

Primary Plan is Capitation Plan and Secondary Plan is Fee Schedule Plan or R & C Plan

If you or your dependent receives services or supplies from a provider who is in the network of both the Primary Plan and the Secondary Plan, the Secondary Plan will pay the lesser of:

- a. The amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- b. The amount the Secondary Plan would have paid if it had been the Primary Plan.

Primary Plan is Capitation Plan or Fee Schedule Plan or R & C Plan and Secondary Plan is Capitation Plan

If you or your dependent receive services or supplies from a provider who is in the network of the Secondary Plan, the Secondary Plan will be liable to pay the capitation to the provider and will not be liable to pay the deductible, coinsurance or copayment imposed by the Primary Plan. You or your dependent will not be liable to pay any deductible, coinsurance or copayments of either the Primary Plan or the Secondary Plan.

Primary Plan is an HMO and Secondary Plan is an HMO

If the Primary Plan is an HMO plan that does not allow for the use of non-network providers except in the event of urgent care or emergency care and the service or supply you or your dependent receives from a non-network provider is not considered as urgent care or emergency care, but the provider is in the network of the Secondary Plan, the Secondary Plan will pay benefits as if it were the Primary Plan, except that the Primary Plan will pay out-of-Network services, if any, authorized by the Primary Plan.

Domestic Partners

Under federal law, the Medicare Secondary Payer Rules do not apply to Domestic Partners covered under a group health plan when Medicare coverage is due to age. Therefore, when Medicare coverage is due to age, Medicare is always the Primary Plan for a person covered as a Domestic Partner, and CIGNA is the Secondary Plan. However, when Medicare coverage is due to disability, the Medicare Secondary Payer Rules explained above will apply.

Payment of Benefits

To Whom Payable

All Dental Benefits are payable to you. However, at the option of CG and with your consent, all or any part of them may be paid directly to the person or institution on whose charge claim is based.

If any person to whom benefits are payable is a minor or, in the opinion of CG, is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, CG may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

If you die while any of these benefits remain unpaid, CG may choose to make direct payment to any of your following living relatives: spouse, mother, father, child or children, brothers or sisters; or to the executors or administrators of your estate.

Payment as described above will release CG from all liability to the extent of any payment made.

Time of Payment

Benefits will be paid by CG when it receives due proof of loss.

Recovery of Overpayment

When an overpayment has been made by CG, CG will have the right at any time to: (a) recover that overpayment from the person to whom or on whose behalf it was made; or (b) offset the amount of that overpayment from a future claim payment.

Termination of Insurance

Employees

Your insurance will cease on the earliest date below:

- the date you cease to be in a Class of Eligible Employees or cease to qualify for the insurance.
- the last day for which you have made any required contribution for the insurance.
- the date the policy is canceled.
- the last day of the calendar month in which your Active Service ends except as described below.

Any continuation of insurance must be based on a plan which precludes individual selection.

Temporary Layoff or Leave of Absence

If your Active Service ends due to temporary layoff or leave of absence, your insurance will be continued until the date your Employer: (a) stops paying premium for you; or (b) otherwise cancels your insurance. However, your insurance will not be continued for more than 60 days past the date your Active Service ends.

Injury or Sickness

If your Active Service ends due to an Injury or Sickness, your insurance will be continued while you remain totally and continuously disabled as a result of the Injury or Sickness. However, your insurance will not continue past the date your

Employer stops paying premium for you or otherwise cancels the insurance.

GM6000 TRM23V3

Dependents

Your insurance for all of your Dependents will cease on the earliest date below:

- the date your insurance ceases, except when you die.
- the date you cease to be eligible for Dependent Insurance.
- the last day for which you have made any required contribution for the insurance.
- the date Dependent Insurance is canceled.

The insurance for any one of your Dependents will cease on the date that Dependent no longer qualifies as a Dependent.

Dependent Dental Insurance After Your Death

- the last day of the 24th month after your death;
- if a surviving spouse remarries, the date he remarries or the 180th day after your death, whichever is later;

Special Continuation of Dental Insurance

If your insurance would otherwise cease due to total disability, and if you have been insured for at least three consecutive months under the policy, and if you pay your Employer the required premium, your Dental Insurance will be continued until the earliest of:

- the last day for which you have paid the required premium;
- the date you become employed and eligible for similar insurance under another group policy for dental benefits;
- the date the policy is canceled.

Within 31 days after the date the insurance would otherwise cease, you may elect such continuation by completing a continuation notification and by paying the required premium to your Employer.

If your insurance is being continued as outlined above, the Dental Insurance for any of your Dependents insured on the date your insurance would otherwise cease may be continued, subject to the above provisions. The Dependent Dental Insurance will be continued until the earlier of:

- the date your insurance ceases; or
- with respect to any one Dependent, the date that Dependent no longer qualifies as a Dependent.

This option will not operate to reduce any continuation of insurance otherwise provided.

Dental Benefits Extension

An expense incurred in connection with a Dental Service that is completed after a person's benefits cease will be deemed to be incurred while he is insured if:

- for fixed bridgework and full or partial dentures, the final impressions are taken and/or abutment teeth fully prepared while he is insured and the prosthesis inserted within 3 calendar months after his insurance ceases.
- for a crown, inlay or onlay, the tooth is prepared while he is insured and the crown, inlay or onlay installed within 3 calendar months after his insurance ceases.
- for root canal therapy, the pulp chamber of the tooth is opened while he is insured and the treatment is completed within 3 calendar months after his insurance ceases.
- for a dental condition which causes an insured to be Totally Disabled on the day insurance ends, in the event the group policy cancels, and the expenses are incurred within 90 days after his insurance cancels.

Totally Disabled

A person is considered Totally Disabled if, because of an Injury or a Sickness:

- he is unable to perform the basic duties of his occupation; and
- he is not performing any other work or engaging in any other occupation for wage or profit.

Your Dependent will be considered Totally Disabled if, because of an Injury or a Sickness:

- he is unable to engage in the normal activities of a person of the same age, sex and ability; or

- in the case of a Dependent who normally works for wage and profit, he is not performing such work.

There is no extension for any Dental Service not shown above.

Notice Regarding Provider Directories and Provider Networks

If your Plan utilizes a network of Providers, a separate listing of Participating Providers who participate in the network is available to you without charge by visiting www.cigna.com; mycigna.com or by calling the toll-free telephone number on your ID card.

Your Participating Provider network consists of a group of local dental practitioners, of varied specialties as well as general practice, who are employed by or contracted with CIGNA HealthCare or CIGNA Dental Health.

FDRL79

Qualified Medical Child Support Order (QMCSO)

A. Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

B. Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state

domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

C. Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Coverage of Students on Medically Necessary Leave of Absence

If your Dependent child is covered by this plan as a student, as defined in the Definition of Dependent, coverage will remain active for that child if the child is on a medically necessary leave of absence from a postsecondary educational institution (such as a college, university or trade school.)

Coverage will terminate on the earlier of:

- The date that is one year after the first day of the medically necessary leave of absence; or

- The date on which coverage would otherwise terminate under the terms of the plan.

The child must be a Dependent under the terms of the plan and must have been enrolled in the plan on the basis of being a student at a postsecondary educational institution immediately before the first day of the medically necessary leave of absence.

The plan must receive written certification from the treating physician that the child is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.

A “medically necessary leave of absence” is a leave of absence from a postsecondary educational institution, or any other change in enrollment of the child at the institution that starts while the child is suffering from a serious illness or condition; is medically necessary; and causes the child to lose student status under the terms of the plan.

FDRL80

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child’s adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the “Exception for Newborns” section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

FDRL6

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

FDRL75

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

FDRL74

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee’s military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

A. Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

B. Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your Employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

FDRL58

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying

event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct, or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled "Secondary Qualifying Events" and "Medicare Extension For Your Dependents" are not applicable to these individuals.

FDRL85

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA

continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for "Termination of COBRA Continuation" listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

FDRL21

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with CIGNA;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

FDRL22

V1

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.

- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

FDRL23

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The

premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member. For example:

If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation;
- Your child ceases to qualify as a Dependent under the Plan; or
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your

COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

Trade Act of 2002

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact/2002act_index.cmf.

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under “Termination of COBRA Continuation” above. Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

When You Have a Concern or Complaint

For the purposes of this section, any reference to "you," "your" or "Member" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted and a "Physician Reviewer" is a licensed Physician or a licensed Dentist, depending on the care, treatment or service under review who is also a Medical Director or his or her designee who rendered the initial adverse determination.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

1. Complaints and Administrative Appeals Regarding Contractual Benefits, Quality of Care and Services

Start with Member Services

We are here to listen and help. If you have a specific concern or complaint regarding a person, a service, the quality of care, choice of or access to providers, provider network adequacy or contractual benefits, you or your designated representative (including your treating Provider) can call our toll-free number and explain your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services Toll-Free Number or address that appears on your Benefit Identification card, explanation of benefits or claim form.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 calendar days.

If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

Administrative Appeals Procedure

CG has a two step appeals procedure for coverage decisions. To initiate an Administrative appeal, you must submit a request for an appeal in writing within 180 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or

choose not to write, you may ask to register your appeal by calling the toll-free number on your Benefit Identification card. If you choose to designate a representative to appeal on your behalf, including your provider, all correspondence related to your appeal will be sent to your designated representative and you. If you do not want such representative to pursue the appeal on your behalf, you must notify CG that you do not want this representative appealing this issue on your behalf.

Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision.

For level one appeals, we will acknowledge in writing that we have received your request within 10 business days and respond in writing with a decision within 30 calendar days after we receive an appeal for a post-service coverage determination or within 15 calendar days for a pre-service coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To initiate a level two appeal, follow the same process required for a level one appeal, except that such a request must be submitted within 60 days from your receipt of a Level One Appeal decision.

Requests for a second review will be acknowledged in writing that we have received your request within 10 business days. Post-service requests will be completed within 30 calendar days, while most pre-service requests will be completed within 15 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. You will be notified in writing of the decision.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. CG's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond with a decision within 72 hours.

Appeal to the State of New Jersey

For appeals regarding a person, a service, the quality of care, choice of or access to providers, provider network adequacy, or the contractual benefits, if you remain dissatisfied after exhausting CG's Complaint and Appeal procedure, you may appeal to the State of New Jersey Department of Banking and Insurance at the following address and telephone number:

Consumer Protection Services
New Jersey Department of Banking and Insurance
20 West State Street, 9th Floor
P.O. Box 329
Trenton, NJ 08625-0329
(609) 292-5316

You may also wish to access an online New Jersey complaint form at: www.state.nj.us/dobi/enfcon.htm.

2. Appeals Regarding Required Medical Necessity and Utilization Review Determinations

Initial Determination

CG is responsible for making decisions about the appropriateness, medical necessity and efficiency of health care services provided to Members under this Certificate. All decisions to deny or limit coverage for an inpatient admission, a service, a procedure or an extension of inpatient stay, are made by a New Jersey-licensed Dentist.

The health care determinations made by CG are directly communicated to the treating or requesting Provider (including a Provider acting on your behalf with your consent, if such Provider is the requesting Provider) on a timely basis appropriate to the Member's medical needs. CG will not reverse its initial determination of medical necessity or appropriateness unless misrepresented or fraudulent information was submitted to CG as part of the request for health care services.

You or your designated representative (including a provider acting on your behalf with your consent) may request a written notice of an initial determination made by CG, including an explanation of the Medical Necessity Appeal process.

Medical Necessity Appeals Procedure

CG has a two step procedure for coverage decisions. To initiate a Medical Necessity appeal, you must submit a request for an appeal in writing to the address that appears on your Benefit Identification card, explanation of benefits or claim form within 180 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by calling the toll-free

number on your Benefit Identification card. If you choose to designate a representative to appeal on your behalf, including your provider, all correspondence related to your appeal will be sent to your designated representative and you. If you do not want such representative to pursue the appeal on your behalf, you must notify CG that you do not want this representative appealing this issue on your behalf.

Level One Appeal

You have the opportunity to speak with, and may request appeal review by, CG's Dentist reviewer.

For level one appeals, we will respond in writing with a decision within five business days after we receive an appeal.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To initiate a level two appeal, follow the same process required for a level one appeal, except that such a request must be submitted within 60 days from your receipt of a Level One Appeal decision.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least one Dentist reviewer and two other Dentists/health care professionals. Anyone involved in the prior decision may not participate on the Appeal Committee. The committee will consult with at least one Dentist in the same or similar specialty as the care under consideration, as determined by CG's Dentist reviewer. You may request that the same or similar specialist be a participant on the committee. You may present your situation to the committee in person or by conference call.

For level two appeals we will acknowledge in writing that we have received your request within 10 business days and schedule a committee review. The committee review will be completed within 15 calendar days for pre-service appeals and 20 business days for post-service appeals. If more time or information is needed to make the determination, we will notify the Department of Banking and Insurance and you in writing to request an extension of up to 15 calendar days for pre-service appeals and 20 business days for post-service appeals and to specify any additional information needed by the Appeals Committee to complete the review. You will be notified in writing of the Appeals Committee's decision.

External Appeals of Utilization Management Determinations

After exhausting CG's Medical Necessity Appeal procedure, if you remain dissatisfied with CG's health care determination, you may initiate a review by an independent utilization review organization (IURO) within 60 calendar days from the receipt of CG's final written decision. To initiate a review, you or your Provider, on your behalf,

should complete the State of New Jersey IURO forms provided by CG and mail the completed forms to:

Consumer Protection Services
New Jersey Department of Banking and Insurance
20 West State Street, 9th Floor
P.O. Box 329
Trenton, NJ 08625-0329
(609) 292-5316

along with a check or money order for \$25 payable to the "New Jersey Department of Banking and Insurance" (this fee may be reduced to \$2 in cases of financial hardship). If a Provider is appealing to the IURO on your behalf, the Provider is responsible for paying your portion of the cost of the IURO appeal (e.g. \$25, or \$2 if financial hardship). CG will bear the remaining costs of the review.

You or your Provider, on your behalf, may also request review of your appeal by the IURO if CG has missed any timeframes associated with the processing of your medical necessity appeal. If this is the case, you must certify to the IURO that you or your Provider, on your behalf, did not hinder CG from making a timely determination by failing to provide the information required for CG to make its decision.

Once the IURO communicates its decision, CG will respond within 10 business days to you (or the Provider, on your behalf) the IURO and the Department of Banking and Insurance with a written report describing how CG will implement the IURO's decision.

The External Appeals Program is a voluntary program. The decision of the IURO is binding on CG.

Appeal to the State of New Jersey

You have the right to contact the New Jersey Department of Banking and Insurance for assistance at any time. The New Jersey Department of Banking and Insurance may be contacted at the following address and telephone number:

Consumer Protection Services
New Jersey Department of Banking and Insurance
20 West State Street, 9th Floor
P.O. Box 329
Trenton, NJ 08625-0329

Notice of Benefit Determination on Appeal

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: (1) the specific reason or reasons for the adverse determination; (2) reference to the specific plan provisions on which the determination is based; (3) a statement that the claimant is entitled to receive, upon

request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; (4) a statement describing: (a) the procedure to initiate the next level of appeal; (b) any voluntary appeal procedures offered by the plan; and (c) the claimant's right to bring an action under ERISA section 502(a); (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit.

You also have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the Level Two Appeal decision (or with the Level One Appeal decision if expedited). You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your State insurance regulatory agency. You may also contact the Plan Administrator.

Relevant Information

Relevant Information is any document, record, or other information which (a) was relied upon in making the benefit determination; (b) was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; (c) demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or (d) constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit or the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Legal Action Following Appeals

If your plan is governed by ERISA, you have the right to bring a civil action in federal court under Section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. In most instances, you may not initiate a legal action against CG until you have completed the Level One and Level Two Appeal processes. If your Appeal is expedited, there is no need to complete the Level Two process prior to bringing legal action in federal court.

If your plan is governed by New Jersey P.L.2001, c.187 (2A:53A-30 et seq), you have the right to bring action in state court accordance with that statute. You must exhaust the Independent Health Care Appeals Program procedures created pursuant to section 11 of P.L.1997, c.192 (C26:2S-11), before filing an action in state court, unless serious or

significant harm to the covered person has occurred or will imminently occur, before filing an action in state court for economic and non-economic loss that occurs as a result of CG's negligence with respect to the denial of or delay in approving or providing medically necessary covered services, which denial or delay is the proximate cause of a covered person's: (1) death; (2) serious and protracted or permanent impairment of a bodily function or system; (3) loss of a body organ necessary for normal bodily function; (4) loss of a body member; (5) exacerbation of a serious or life-threatening disease or condition that results in serious or significant harm or requires substantial medical treatment; (6) a physical condition resulting in chronic and significant pain; or (7) substantial physical or mental harm which resulted in further substantial medical treatment made medically necessary by the denial or delay of care.

This Plan Booklet/Combined Evidence of Coverage and Disclosure Form/Certificate of Coverage is intended for your information; it constitutes a summary of the Dental Plan and is included as a part of the agreement between CIGNA Dental and your Group (collectively, the “Group Contract”). The Group Contract must be consulted to determine the rates and the exact terms and conditions of coverage. If rates or coverages are changed under your Group Contract, your rates and coverage will also change. A prospective member has the right to view the Combined Evidence of Coverage and Disclosure Form prior to enrollment. It should be read completely and carefully. Members with special health care needs should read carefully those sections that apply to them. Please read the following information so you will know from whom or what group of providers dental care may be obtained.

NOTICE: IF YOU OR YOUR FAMILY MEMBERS ARE COVERED BY MORE THAN ONE HEALTH CARE PLAN, YOU MAY NOT BE ABLE TO COLLECT BENEFITS FROM BOTH PLANS. EACH PLAN MAY REQUIRE YOU TO FOLLOW ITS RULES OR USE SPECIFIC DOCTORS OR HOSPITALS, AND IT MAY BE IMPOSSIBLE TO COMPLY WITH BOTH PLANS AT THE SAME TIME. READ ALL OF THE RULES VERY CAREFULLY, INCLUDING THE DUAL COVERAGE SECTION.

Important Cancellation Information - Please Read the Provision Entitled “Disenrollment from the Dental Plan - Termination of Benefits.”

READ YOUR PLAN BOOKLET CAREFULLY

Please call Member Services at 1-800-CIGNA24 if you have any questions. The hearing impaired may call the state TTY toll-free relay service listed in their local telephone directory.

In some cases, state laws will supersede or augment the provisions contained in this booklet. These requirements are listed at the end of this booklet as a State Rider. In case of a conflict between the provisions of this booklet and your State Rider, the State Rider will prevail.

I. Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

Adverse Determination – A decision by CIGNA Dental not to authorize payment for certain limited specialty care procedures on the basis of necessity or appropriateness of care. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

- A. be consistent with the symptoms, diagnosis or treatment of the condition present;
- B. conform to commonly accepted standards throughout the dental field;
- C. not be used primarily for the convenience of the member or provider of care; and
- D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by CIGNA Dental based upon the above criteria will be the responsibility of the member at the dentist's Usual Fees. A licensed dentist will make any such denial.

CIGNA Dental - the CIGNA Dental Health organization that provides dental benefits in your state as listed on the face page of this booklet.

Contract Fees - the fees contained in the Network Specialty Dentist agreement with CIGNA Dental.

Covered Services - the dental procedures listed on your Patient Charge Schedule.

Dental Office - your selected office of Network General Dentist(s).

Dental Plan - managed dental care plan offered through the Group Contract between CIGNA Dental and your Group.

Dependent - your lawful spouse; your unmarried child (including newborns, adopted children, stepchildren, a child for whom you must provide dental coverage under a court order; or, a dependent child who resides in your home as a result of court order or administrative placement) who is:

- A. less than 25 years old; or
- B. less than 25 years old if he or she is both:
 1. a full-time student enrolled at an accredited educational institution, and
 2. reliant upon you for maintenance and support; or
- C. any age if he or she is both:
 1. incapable of self-sustaining employment due to mental or physical disability, and
 2. reliant upon you for maintenance and support.

For a dependent child 25 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child's academic status to less than that of a full-time student.

For a child who falls into category (b) or (c) above, you will need to furnish CIGNA Dental evidence of his or her reliance upon you, in the form requested, within 31 days after the dependent reaches the age of 25 and once a year thereafter during his or her term of coverage.

Coverage for dependents living outside a CIGNA Dental service area is subject to the availability of an approved network where the dependent resides.

This definition of "Dependent" applies unless modified by your State Rider or Group Contract.

Group - Employer, labor union or other organization that has entered into a Group Contract with CIGNA Dental for managed dental services on your behalf.

Network Dentist - a licensed dentist who has signed an agreement with CIGNA Dental to provide general dentistry or specialty care services to you. The term, when used, includes both Network General Dentists and Network Specialty Dentists.

Subscriber/You - The enrolled employee or member of the Group.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.

II. Introduction To Your CIGNA Dental Plan

Welcome to the CIGNA Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to CIGNA Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a CIGNA Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. CIGNA Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your CIGNA Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Member Services

If you have any questions or concerns about the Dental Plan, Member Services Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Member Services from any location at 1-800-CIGNA24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to CIGNA Dental for members participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges - Patient Charges

Network General Dentists are typically reimbursed by CIGNA Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. CIGNA Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise CIGNA Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when CIGNA Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Member Services at 1-800-CIGNA24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, CIGNA Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1-800-CIGNA24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Member Services.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, CIGNA Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. CIGNA Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between CIGNA Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by CIGNA Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. CIGNA Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of \$50 per incident. To receive reimbursement, send appropriate reports and x-rays to CIGNA Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services covered by your Dental Plan:

1. **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
2. **Specialty Care** - Except for Pediatric Dentistry and Endodontics, payment authorization is required for coverage of services performed by a Network Specialty Dentist.
3. **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday;

however, exceptions for medical reasons may be considered on an individual basis. Your Network General Dentist will provide care after your child's 7th birthday.

4. **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

H. Services Not Covered Under Your Dental Plan

Listed below are the services or expenses which are NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

1. services not listed on the Patient Charge Schedule.
2. services provided by a non-Network Dentist without CIGNA Dental's prior approval (except emergencies, as described in Section IV.F).
3. services related to an injury or illness paid under workers' compensation, occupational disease or similar laws.
4. services provided or paid by or through a federal or state governmental agency or authority, political subdivision or a public program, other than Medicaid.
5. services required while serving in the armed forces of any country or international authority or relating to a declared or undeclared war or acts of war.
6. cosmetic dentistry or cosmetic dental surgery (dentistry or dental surgery performed solely to improve appearance) unless specifically listed on your Patient Charge Schedule.
7. general anesthesia, sedation and nitrous oxide, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon or Periodontist.
8. prescription drugs.
9. procedures, appliances or restorations if the main purpose is to: a. change vertical dimension (degree of separation of the jaw when teeth are in contact); b. diagnose or treat abnormal conditions of the temporomandibular joint (TMJ), unless TMJ therapy is specifically listed on your Patient Charge Schedule; or, if your Patient Charge Schedule ends in "-04" or higher, c. restore teeth which have been damaged by attrition, abrasion, erosion and/or abfraction.

10. replacement of fixed and/or removable appliances that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.
11. services associated with the placement or prosthodontic restoration of a dental implant.
12. services considered to be unnecessary or experimental in nature.
13. procedures or appliances for minor tooth guidance or to control harmful habits.
14. hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination.)
15. services to the extent you or your enrolled Dependent are compensated under any group medical plan, no-fault auto insurance policy, or uninsured motorist policy.
16. the completion of crown and bridge, dentures or root canal treatment already in progress on the effective date of your CIGNA Dental coverage.

In addition to the above, if your Patient Charge Schedule number ends in "-04" or a higher number, there is no coverage for the following:

17. crowns and bridges used solely for splinting.
18. resin bonded retainers and associated pontics.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Member Services at 1-800-CIGNA24. To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1-800-CIGNA24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the CIGNA Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children's dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to CIGNA Dental for payment authorization, except for Pediatrics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by CIGNA Dental before treatment begins.

When CIGNA Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., *Orthodontics*. Treatment by the Network Specialty Dentist must begin within 90 days from the date of CIGNA Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Member Services to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if CIGNA Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Member Services.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by CIGNA Dental, CIGNA Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. CIGNA Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions

If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
- b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.

- c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- b. orthognathic surgery and associated incremental costs;
- c. appliances to guide minor tooth movement;
- d. appliances to correct harmful habits; and
- e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Member Services at 1-800-CIGNA24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown and/or bridge in the same treatment plan. Using full crowns (caps) and/or fixed bridges which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown and bridge charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown and/or bridge PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

XI. What to Do if There is a Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or provider designated by you to act on your behalf. **Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.**

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Member Services

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-CIGNA24 toll-free and explain your concern to one of our Member Services Representatives. You can also express that concern in writing to CIGNA Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

CIGNA Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to CIGNA Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial CIGNA Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Member Services to register your appeal by calling 1-800-CIGNA24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, CIGNA Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review. The Level-Two Appeals process does not apply to resolutions made solely on the basis that the Dental Plan does not

provide benefits for the service performed or requested.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Independent Review Procedure

The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas. Consult your State Rider for more details.

4. Appeals to the State

You have the right to contact your State's Department of Insurance and/or Department of Health for assistance at any time. **See your State Rider for further details.**

CIGNA Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by CIGNA Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs

earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. CIGNA Dental coordinates benefits only for specialty care services.

XIII. Disenrollment From the Dental Plan - Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled “Extension/Continuation of Benefits” or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to CIGNA Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from CIGNA Dental due to permanent breakdown of the dentist-patient relationship as determined by CIGNA Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from CIGNA Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by CIGNA Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group’s Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the CIGNA Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group’s Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group’s Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for CIGNA Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group’s Dental Plan. Please call the CIGNA Dental Conversion Department at 1-800-CIGNA24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

CIGNA Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about CIGNA Dental’s confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your member plan materials. You may obtain additional information about CIGNA Dental’s confidentiality policies and procedures by calling Member Services at 1-800-CIGNA24 or via the Internet at www.cigna.com.

XVIII. Miscellaneous

As a CIGNA Dental plan member, you may be eligible for various discounts, benefits, or other consideration for the

purpose of promoting your general health and well being. Please visit our website at www.cigna.com for details.

If you are a CIGNA Dental Care member you may also be eligible for additional dental benefits during certain health conditions. For example, certain frequency limitations for dental services may be relaxed for pregnant women and members participating in certain disease management programs. Please review your plan enrollment materials for details.

Capitalized terms, unless otherwise defined, have the meanings listed below.

Adverse Determination - a decision by CIGNA Dental not to authorize payment for certain limited specialty care procedures on the basis of necessity or appropriateness of care. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

- A. be consistent with the symptoms, diagnosis or treatment of the condition present;
- B. conform to commonly accepted standards throughout the dental field;
- C. not be used primarily for the convenience of the member or provider of care; and
- D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by CIGNA Dental based upon the above criteria will be the responsibility of the member at the dentist's Usual Fees. A licensed dentist will make any such denial.

CIGNA Dental - the CIGNA Dental Health organization that provides dental benefits in your state as listed on the face page of this booklet.

Contract Fees - the fees contained in the Network Specialty Dentist Agreement with CIGNA Dental.

Covered Services - the dental procedures listed on your Patient Charge Schedule.

Dental Office - your selected office of Network General Dentist(s).

Dental Plan - managed dental care plan offered through the Group Contract between CIGNA Dental and your Group.

Dependent - your lawful spouse; your unmarried child (including newborns, adopted children, stepchildren, a child for whom you must provide dental coverage under a court order; or, a Dependent child who resides in your home as a result of court order or administrative placement) who is:

- A. less than 19 years old; or
- B. less than 23 years old if he or she is both:
 1. a full-time student enrolled at an accredited educational institution, and
 2. reliant upon you for maintenance and support; or
- C. any age if he or she is both:
 1. incapable of self-sustaining employment due to mental or physical disability, and
 2. reliant upon you for maintenance and support.

For a Dependent child 19 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child's academic status to less than that of a full-time student.

For a child who falls into category (b) or (c) above, you will need to furnish CIGNA Dental evidence of his or her reliance upon you, in the form requested, within 31 days after the Dependent reaches the age of 19 and once a year thereafter during his or her term of coverage.

Coverage for Dependents living outside a CIGNA Dental Service Area is subject to the availability of an approved network where the Dependent resides.

This definition of "Dependent" applies unless modified by your Group Contract.

Group - Employer, labor union or other organization that has entered into a Group Contract with CIGNA Dental for managed dental services on your behalf.

Network Dentist - a licensed dentist who has signed an agreement with CIGNA Dental to provide general dentistry or specialty care services to you. The term, when used, includes both Network General Dentists and Network Specialty Dentists.

Network General Dentist - a licensed dentist who has signed an agreement with CIGNA Dental under which he or she agrees to provide dental care services to you.

Subscriber/You - the enrolled employee or member of the Group.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.

II. Introduction To Your CIGNA Dental Plan

Welcome to the CIGNA Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to CIGNA Dental or its designee for health plan operation purposes.

III. Eligibility When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a CIGNA Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. CIGNA Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave.

Additional information is available through your Benefits Representative.

IV. Your CIGNA Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Member Services

If you have any questions or concerns about the Dental Plan, Member Services Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Member Services from any location at 1-800-CIGNA24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums/Prepayment Fees

Your Group sends a monthly fee to CIGNA Dental for members participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are reimbursed by CIGNA Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. CIGNA Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did

not, you must advise CIGNA Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when CIGNA Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Member Services at 1-800-CIGNA24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, CIGNA Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1-800-CIGNA24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Member Services.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If on a temporary basis, there is no Network General Dentist in your Service Area, CIGNA Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. CIGNA Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between CIGNA Dental and Network Dentists state that you will not be liable to the Network

Dentist for any sums owed to the Network Dentist by CIGNA Dental.

F. Emergency Dental Care – Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. **Emergency Care Away From Home** - If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. CIGNA Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of \$50 per incident. To receive reimbursement, send appropriate reports and x-rays to CIGNA Dental at the address listed on the front of this booklet.
2. **Emergency Care After Hours** - There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services covered by your Dental Plan:

1. **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
2. **Specialty Care** - Except for Pediatric Dentistry and Endodontics, payment authorization is required for coverage of services performed by a Network Specialty Dentist.
3. **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday; however, exceptions for medical reasons may be considered on an individual basis. Your Network General Dentist will provide care after your child's 7th birthday.

4. **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

H. Services Not Covered Under Your Dental Plan

Listed below are the services or expenses which are NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

1. services not listed on the Patient Charge Schedule.
2. services provided by a non-Network Dentist without CIGNA Dental's prior approval (except emergencies, as described in Section IV. F.).
3. services related to an injury or illness paid under workers' compensation, occupational disease or similar laws.
4. services provided or paid by or through a federal or state governmental agency or authority, political subdivision or a public program, other than Medicaid.
5. services required while serving in the armed forces of any country or international authority or relating to a declared or undeclared war or acts of war.
6. cosmetic dentistry or cosmetic dental surgery (dentistry or dental surgery performed solely to improve appearance) unless specifically listed on your Patient Charge Schedule.
7. general anesthesia, sedation and nitrous oxide, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV Sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon or Periodontist.
8. prescription drugs.
9. procedures, appliances or restorations if the main purpose is to: a. change vertical dimension (degree of separation of the jaw when teeth are in contact); b. diagnose or treat abnormal conditions of the temporomandibular joint (TMJ), unless TMJ therapy is specifically listed on your Patient Charge Schedule or if your Patient Charge Schedule ends in "-04" or a higher number; c. restore teeth which have been damaged by attrition, abrasion, erosion and/or abfraction.
10. replacement of fixed and/or removable appliances that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.

11. services associated with the placement or prosthodontic restoration of a dental implant.
12. services considered to be unnecessary or experimental in nature.
13. procedures or appliances for minor tooth guidance or to control harmful habits.
14. hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination.)
15. services to the extent you, or your enrolled Dependent, are compensated under any group medical plan, no-fault auto insurance policy, or uninsured motorist policy.
16. the completion of crown and bridge, dentures or root canal treatment already in progress on the effective date of your CIGNA Dental coverage.

In addition to the above, if your Patient Charge Schedule number ends in "-04" or higher number, there is no coverage for the following:

17. crowns and bridges used solely for splinting.
18. resin bonded retainers and associated pontics.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent break an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in

progress before transferring to another Dental Office. To arrange a transfer, call Member Services at 1-800-CIGNA24. To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1-800-CIGNA24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer, however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the CIGNA Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children's dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to Prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D., *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to CIGNA Dental for payment authorization, except for Pediatrics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialist that your treatment plan has been authorized for payment by CIGNA Dental before treatment begins.

When CIGNA Dental authorizes payment to the Network Specialty Dentist, the fees for no-charge services listed on the Patient Charge Schedule in effect on the date each

procedure is started will apply, except as set out in Section IX. B. *Orthodontics*. Treatment by the Network Specialty Dentist must begin within 90 days from the date of CIGNA Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Member Services to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if CIGNA Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Member Services.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by CIGNA Dental, CIGNA Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. CIGNA Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the Dentist's Usual Fee.

C. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. **Definitions** - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
 - a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
 - b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
 - c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.

- d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist’s Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist’s Usual Fees for the following non-Covered Services:

- a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- b. orthognathic surgery and associated incremental costs;
- c. appliances to guide minor tooth movement;
- d. appliances to correct harmful habits; and
- e. services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

4. Orthodontics in Progress

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Member Services at 1-800-CIGNA24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more “units” of crown and/or bridge in the

same treatment plan. Using full crowns (caps) and/or fixed bridges which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown and bridge charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown and/or bridge PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to “you” or “your” also refers to a representative or provider designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Member Services

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-CIGNA24 toll-free and explain your concern to one of our Member Services Representatives. You can also express that concern in writing to CIGNA Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 15 working days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

CIGNA Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to CIGNA Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial CIGNA Dental decision. You should state the reason you feel your appeal should be

approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Member Services to register your appeal by calling 1-800-CIGNA24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

We will respond with a decision within 15 working days after we receive your appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, CIGNA Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review. The Level-Two Appeal process does not apply to resolutions made solely on the basis that the Dental Plan does not provide benefits for the service performed or requested.

The review will be completed within 15 working days. If we need more time or information to complete the review, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Appeals to the State

You have the right to contact the New Jersey Department of Insurance and/or Department of Health for assistance at any time.

CIGNA Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by CIGNA Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

A. In General

“Coordination of benefits” is the procedure used to pay health care expenses when a person is covered by more than one plan. CIGNA Dental follows rules established by New Jersey law to decide which plan pays first and how much the other plan must pay. The objective is to make sure the combined payments of all plans are no more than your actual bills.

When you or your family members are covered by another group plan in addition to this one, we will follow New Jersey coordination of benefit rules to determine which plan is primary and which is secondary. You must submit all bills first to the primary plan. The primary plan must pay its full benefits as if you had no other coverage. If the primary plan denies the claim or does not pay the full bill, you may then submit the balance to the secondary plan.

CIGNA Dental pays for dental care when you follow our rules and procedures. If our rules conflict with those of another plan, it may be impossible to receive benefits from both plans, and you will be forced to choose which plan to use.

B. How CIGNA Dental Pays As Primary Plan

When you receive care from a Network Specialty Dentist, CIGNA Dental pays the Network Specialty Dentist a contracted fee amount less your copayment for the Covered Service. When we are primary, we will pay the full benefit allowed as if you had no other coverage.

C. How CIGNA Dental Pays as Secondary Plan

1. If your primary plan pays on the basis of UCR, CIGNA Dental will pay the difference between the provider's billed charges and the benefits paid by the primary plan up to the amount CIGNA Dental would have paid if primary. CIGNA Dental's payment will first be applied toward satisfaction of your copayment of your primary plan. You will not be liable for any billed charges in excess of the sum of the benefits paid by your primary plan, CIGNA Dental as your secondary plan and the copayment you paid under either the primary or secondary plan. When CIGNA Dental pays as secondary, you will never be responsible for paying more than your copayment for the Covered Service.
2. When both your primary plan and CIGNA Dental pay network providers on the basis of a contractual fee schedule and the provider is a network provider of both plans, the allowable expense will be considered to be the contractual fee of your primary plan. Your primary plan will pay the benefit it would have paid regardless of any other coverage you may have. CIGNA Dental will pay the copayment for the Covered Service for which you are liable up to the amount CIGNA Dental would have paid if primary and provided that the total amount received by the provider from the primary plan, CIGNA Dental and you does not exceed the contractual fee of the primary plan. You will not be responsible for an amount more than your copayment.
3. When your primary plan pays network providers on a basis of capitation or a contractual fee schedule or pays a benefit on the basis of UCR, and CIGNA Dental pays network providers on the basis of capitation and a service or supply is provided by a network provider of CIGNA Dental, we will not be obligated to pay to the network provider any amount other than the capitation payment required under the contract between CIGNA Dental and the network provider and we shall not be liable for any deductible, coinsurance or copayment imposed by your primary plan. You will not be responsible for the payment of any amount for eligible services.
4. We will pay only for health care expenses that are covered by CIGNA Dental.
5. We will pay only if you have followed all of our procedural requirements, including: care is obtained from or arranged by your primary care dentist; preauthorized referrals are made to network specialists; coverage in effect when procedures begin; procedures begin within 90 days of referral.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames For Disenrollment/Termination

Except as otherwise provided in the Sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and Termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to CIGNA Dental;
2. in which eligibility requirements are no longer met;
3. after 30 days notice from CIGNA Dental due to permanent breakdown of the dentist-patient relationship as determined by CIGNA Dental, after at least two opportunities to transfer to another Dental Office;
4. after 30 days notice from CIGNA Dental due to fraud or misuse of dental services and/or Dental Offices;
5. after 60 days notice by CIGNA Dental, due to continued lack of a Dental Office in your Service Area;
6. after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of

the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the CIGNA Dental conversion plan. You must enroll within three months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- A. permanent breakdown of the dentist-patient relationship;
- B. fraud or misuse of dental services and/or Dental Offices;
- C. nonpayment of Premiums by the Subscriber;
- D. selection of alternate dental coverage by your Group; or
- E. lack of network/Service Area.

Benefits and rates for CIGNA Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the CIGNA Dental Conversion Department at 1-800-CIGNA24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

CIGNA Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about CIGNA Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your member plan materials. I. Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

Adverse Determination - a determination that the dental care services furnished or proposed to be furnished to you or your Dependents are not clinically necessary or are not appropriate. Adverse Determinations do not affect services rendered by a Network General Dentist but apply only to limited specialty referral procedures. To be considered clinically necessary, the specialty referral procedure must be reasonable and appropriate and meet the following requirements:

- A. be consistent with the symptoms, diagnosis or treatment of the condition present;
- B. conform to commonly accepted standards throughout the dental field;
- C. not be used primarily for the convenience of the member or provider of care; and
- D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by CIGNA Dental based upon the above criteria will be the responsibility of the member at the dentist's Usual Fees. A licensed dentist will make any such denial.

CIGNA Dental - the CIGNA Dental Health organization that provides dental benefits in your state as listed on the face page of this booklet.

Contract Fees - the fees contained in the Network Specialty Dentist agreement with CIGNA Dental.

Covered Services - the dental procedures listed on your Patient Charge Schedule.

Dental Office - your selected office of Network General Dentist(s).

Dental Plan - managed dental care plan offered through the Group Contract between CIGNA Dental and your Group.

Dependent - your lawful spouse; your unmarried child (including newborns, adopted children, stepchildren, a child for whom you must provide dental coverage under a court order; or, a dependent child who resides in your home as a result of court order or administrative placement) who is:

- A. less than 25 years old; or
- B. any age if he or she is both:
 1. incapable of self sustaining employment due to mental or physical disability; and
 2. reliant upon you for maintenance and support.

A Dependent includes your grandchild if the child is your dependent for federal income tax purposes at the time of

application, or a child for whom you must provide medical support under a court order.

Coverage for dependents living outside a CIGNA Dental Service Area is subject to the availability of an approved network where the dependent resides.

This definition of "Dependent" applies unless modified by your Group contract.

Group - Employer, labor union or other organization that has entered into a Group Contract with CIGNA Dental for managed dental services on your behalf.

Network Dentist - a licensed dentist who has signed an agreement with CIGNA Dental to provide general dentistry or specialty care services to you. The term, when used, includes both Network General Dentists and Network Specialty Dentists.

Network General Dentist - a licensed dentist who has signed an agreement with CIGNA Dental under which he or she agrees to provide dental care services to you.

Network Specialty Dentist - a licensed dentist who has signed an agreement with CIGNA Dental under which he or she agrees to provide specialized dental care services to you.

Patient Charge - the amount you owe your Network Dentist for any dental procedure listed on your Patient Charge Schedule.

Patient Charge Schedule - list of services covered under your Dental Plan and how much they cost you.

Premiums - fees that your Group remits to CIGNA Dental, on your behalf, during the term of your Group Contract.

Service Area - the geographical area designated by CIGNA Dental within which it shall provide benefits and arrange for dental care services, as set out in the attached list of service areas.

Spouse - the individual of the opposite sex with whom you have entered into a marriage relationship with would be considered valid under the Texas Family Code.

Subscriber/You - the enrolled employee or member of the Group.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.

II. Introduction To Your CIGNA Dental Plan

Welcome to the CIGNA Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to CIGNA Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must live, work or reside within the CIGNA Dental Service Area. Other eligibility requirements are determined by your Group.

If the legal residence of an enrolled Dependent is different from that of the Subscriber, the Dependent must:

- A. reside in the Service Area with a person who has temporary or permanent guardianship, including adoptees or children subject to adoption, and the Subscriber must have legal responsibility for that Dependent's health care; or
- B. reside in the Service Area, and the Subscriber must have legal responsibility for that Dependent's health care; or
- C. reside in the Service Area with the Subscriber's spouse; or
- D. reside anywhere in the United States when the Dependent's coverage is required by a medical support order.

If you or your Dependent becomes eligible for Medicare, you may continue coverage so long as you or your Medicare-eligible Dependent meet all other group eligibility requirements.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. CIGNA Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave.

Additional information is available through your Benefits Representative.

IV. Your CIGNA Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Member Services

If you have any questions or concerns about the Dental Plan, Member Services Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Member Services from any location at 1-800-CIGNA24. The hearing impaired may contact Member Services through the State Relay Service located in your local telephone directory.

B. Premiums

Your Group sends a monthly fee to CIGNA Dental for members participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group. Your Premium is subject to annual change in accordance with your Group Contract. CIGNA Dental will give written notice to your Group of any change in Premiums at least 60 days before any change.

C. Other Charges – Patient Charges

CIGNA Dental typically pays Network General Dentists fixed monthly payments for each covered member and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees that you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services the amount you

must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. The Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. CIGNA Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You must pay the Patient Charge listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise CIGNA Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when CIGNA Dental otherwise authorizes a payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent children under age 7 by calling Member Services at 1-800-CIGNA24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, CIGNA Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1-800-CIGNA24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Member Services.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any

other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If on a temporary basis, there is no Network General Dentist in your Service Area, CIGNA Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. CIGNA Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between CIGNA Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by CIGNA Dental.

F. Emergency Dental Care - Reimbursement

Emergency dental services are limited to procedures administered in a dental office, dental clinic or other comparable facility to evaluate and stabilize emergency dental conditions of recent onset and severity accompanied by excessive bleeding, severe pain, or acute infection that would lead a prudent layperson with average knowledge of dentistry to believe that immediate care is needed. You should contact your Network General Dentist if you have an emergency in your Service Area.

- 1. Emergency Care Away From Home** - If you have an emergency while you are out of your Service Area or unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. CIGNA Dental will reimburse you the difference, if any, between the Dentist's Usual Fee for emergency Covered Services and your Patient Charge.

To receive reimbursement, send appropriate reports and x-rays to CIGNA Dental at the address listed on the front of this booklet. CIGNA Dental Health will acknowledge your claim for emergency services within 15 days and will accept, deny, or request additional information within 15 business days of receipt. If CIGNA Dental Health accepts your claim, reimbursement for all appropriate emergency services will be made within 5 days of acceptance.

2. **Emergency Care After Hours** - There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services covered by your Dental Plan:

1. **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency. If your Network General Dentist certifies to CIGNA Dental that, due to medical necessity, you require certain Covered Services more frequently than the limitation allows, CIGNA Dental may waive the applicable limitation.
2. **Specialty Care** - Except for Pediatric Dentistry and Endodontics, payment authorization is required for coverage of services performed by a Network Specialty Dentist.
3. **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday; however, exceptions for medical reasons may be considered on an individual basis. Your Network General Dentist will provide care after your child's 7th birthday.
4. **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

H. Services Not Covered Under Your Dental Plan

Listed below are the services or expenses which are NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

1. services not listed on the Patient Charge Schedule;
2. services provided by a non-Network Dentist without CIGNA Dental's prior approval (except emergencies, as described in Section IV, F.);
3. services related to an injury or illness paid under workers' compensation, occupational disease or similar laws;
4. services provided or paid by or through a federal or state governmental agency or authority, political subdivision or a public program, other than Medicaid;

5. services required while serving in the armed forces of any country or international authority or relating to a declared or undeclared war or acts of war.
6. cosmetic dentistry or cosmetic dental surgery (dentistry or dental surgery performed solely to improve appearance) unless specifically listed on your Patient Charge Schedule.
7. general anesthesia, sedation and nitrous oxide, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV Sedation are covered when medically necessary and are provided in conjunction with Covered Services performed by an Oral Surgeon or Periodontist.
8. prescription drugs.
9. procedures, appliances or restorations if the main purpose is to: a. change vertical dimension (degree of separation of the jaw when the teeth are in contact); b. diagnose or treat abnormal conditions of the temporomandibular joint (TMJ), unless TMJ therapy is specifically listed on your Patient Charge Schedule; or c*. restore teeth which have been damaged by attrition, abrasion, erosion and/or abfraction.
10. replacement of fixed and/or removable appliances that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.
11. services associated with the placement or prosthodontic restoration of a dental implant.
12. services considered to be unnecessary or experimental in nature.
13. procedures or appliances for minor tooth guidance or to control harmful habits.
14. hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination.)
15. services to the extent you, or your enrolled Dependent, are compensated for them under any group medical plan, no-fault auto insurance policy, or uninsured motorist policy.
16. crowns and bridges used solely for splinting.*
17. resin bonded retainers and associated pontics.*

Pre-existing conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

*If you are on an “-03” Patient Charge Schedule, these exclusions do not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients. If you must change your appointment, please contact your dentist at least 24 hours before the scheduled time.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer at no charge. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Member Services at 1-800-CIGNA24. To obtain a list of Dental Offices near you, visit our website at www.cigna.com, or call the Dental Office Locator at 1-800-CIGNA24.

Your transfer will take about 5 days to process. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

Network Dentists are Independent Contractors. CIGNA Dental cannot require that you pay your Patient Charges before processing of your transfer request; however, it is suggested that all Patient Charges owed to your current Dental Office be paid prior to transfer.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the CIGNA Dental Network includes the following types of Specialty Dentists:

- Pediatric Dentists - children’s dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to CIGNA Dental for payment authorization, except for Pediatrics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by CIGNA Dental before treatment begins.

When CIGNA Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX. B, *Orthodontics*. Treatment by the Network Specialty Dentist must begin within 90 days from the date of CIGNA Dental’s authorization. If you are unable to obtain treatment within the 90-day period, please call Member Services to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if CIGNA Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist’s Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Member Services.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, you must pay for treatment at the dentist’s Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by CIGNA Dental, CIGNA Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. CIGNA Dental will pay the non-Network

Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
- b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges - You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- a. incremental costs associated with optional/elective materials, including but not

limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

- b. orthognathic surgery and associated incremental costs;
- c. appliances to guide minor tooth movement;
- d. appliances to correct harmful habits; and
- e. services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

4. Orthodontics in Progress - If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Member Services at 1-800-CIGNA24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown and/or bridge in the same treatment plan. Using full crowns (caps) and/or fixed bridges which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown and bridge charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown and/or bridge PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or provider designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Member Services

We are here to listen and to help. If you have a question about your Dental Office or the Dental Plan, you can call the toll-free number to reach one of our Member Services Representatives. We will do our best to respond upon your initial contact or get back to you as soon as possible, usually by the end of the next business day. You can call Member Services at 1-800-CIGNA24 or you may write P.O. Box 188047, Chattanooga, TN 37422-8047.

B. Appeals Procedure

1. Problems Concerning Plan Benefits, Quality of Care, or Plan Administration

The Dental Plan has a two-step procedure for complaints and appeals.

a. Level One Review (“Complaint”)

For the purposes of this section, a complaint means a written or oral expression of dissatisfaction with any aspect of the Dental Plan’s operation. A complaint is not (1) a misunderstanding or misinformation that is resolved promptly by supplying the appropriate information or clearing up a misunderstanding to your satisfaction; nor (2) you or your provider’s dissatisfaction or disagreement with an Adverse Determination.

To initiate a complaint, submit a request in writing to the Dental Plan stating the reason why you feel your request should be approved and include any information supporting your request. If you are unable or choose not to write, you may ask Member Services to register your request by calling the toll-free number.

Within 5 business days of receiving your complaint, we will send you a letter acknowledging the date the complaint was received, a description of the complaint procedure and timeframes for resolving your complaint. For oral complaints, you will be asked to complete a complaint form to confirm the nature of your problem or to provide additional information.

Upon receipt of your written complaint or complaint form, Member Services will review and/or investigate your problem. Your complaint will be considered and the resolution made by someone not involved in the initial decision or occurrence. Issues involving clinical appropriateness will be considered by a dental professional. A written resolution will be provided to you within 30 calendar days. If applicable, the written resolution will include a

statement of the specific dental or contractual reasons for the resolution, the specialization of any dentist consulted, and a description of the appeals process, including the time frames for the appeals process and final decision of the appeal. If you are not satisfied with our decision, you may request an appeal.

b. Level Two Review (“Appeal”)

CIGNA Dental will acknowledge your appeal in writing within 5 business days. The acknowledgment will include the name, address, and telephone number of the Appeals Coordinator. The review will be held at CIGNA Dental Health’s administrative offices or at another location within the Service Area, unless you agree to another site.

Additional information may be requested at that time. Second level reviews will be conducted by an Appeals Committee, which will include:

- (1) An employee of CIGNA Dental Health;
- (2) A Dentist who will preside over the Appeals Panel; and
- (3) An enrollee who is not an employee of CIGNA Dental Health.

Anyone involved in the prior decision may not vote on the Appeals Committee. If specialty care is in dispute, the Committee will include a dentist in the same or similar specialty as the care under consideration, as determined by CIGNA Dental. The review will be held and you will be notified in writing of the Committee’s decision within 30 calendar days.

CIGNA Dental will identify the committee members to you and provide copies of any documentation to be used during the review no later than 5 business days before the review, unless you agree otherwise. You, or your designated representative if you are a minor or disabled, may appear in person or by conference call before the Appeals Committee; present expert testimony; and, request the presence of and question any person responsible for making the prior determination that resulted in your appeal.

Please advise CIGNA Dental 5 days in advance if you or your representative plans to be present. CIGNA Dental will pay the expenses of the Appeals Committee; however, you must pay your own expenses, if any, relating to the Appeals process including any expenses of your designated representative.

The appeal will be heard and you will be notified in writing of the committee's decision within 30 calendar days from the date of your request. Notice of the Appeals Committee's decision will include a statement of the specific clinical determination, the clinical basis and contractual criteria used, and the toll-free telephone number and address of the Texas Department of Insurance.

2. Problems Concerning Adverse Determinations

a. Appeals

For the purpose of this section, a complaint concerning an Adverse Determination constitutes an appeal of that determination. You, your designated representative, or your provider may appeal an Adverse Determination orally or in writing. We will acknowledge the appeal in writing within 5 working days of receipt, confirming the date we received the appeal, outlining the appeals procedure, and requesting any documents you should send to us. For oral appeals, we will include a one-page appeal form.

Appeal decisions will be made by a licensed dentist; provided that, if the appeal is denied and your dentist sends us a letter showing good cause, the denial will be reviewed, by a specialty dentist in the same or similar specialty as the care under review. The specialty review will be completed within 15 working days of receipt.

We will send you and your dentist a letter explaining the resolution of your appeal as soon as practical but in no case later than 30 calendar days after we receive the request. If the appeal is denied, the letter will include:

- (1) the clinical basis for the denial;
- (2) the specialty of the dentist making the denial; and
- (3) notice of the rights to seek review of the denial by an independent review organization and the procedure for obtaining that review.

b. Independent Review Organization

If the appeal of an Adverse Determination is denied, you, your representative, or your provider have the right to request a review of that decision by an Independent Review Organization ("IRO".) The written denial outlined above will include information on how to appeal the denial to an IRO, and the forms that must be completed

and returned to us to begin the independent review process.

In life-threatening situations, you are entitled to an immediate review by an IRO without having to comply with our procedures for internal appeals of Adverse Determinations. Call Member Services to request the review by the IRO if you have a life-threatening condition and we will provide the required information.

In order to request a referral to an IRO, the reason for the denial must be based on a dental necessity determination by CIGNA Dental. Administrative, eligibility or benefit coverage limits are not eligible for additional review under this process.

c. Expedited Appeals

You may request that the above complaint and appeal process be expedited if the timeframes under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary.

Investigation and resolution of expedited complaints and appeals will be concluded in accordance with the clinical immediacy of the case but will not exceed 1 business day from receipt of the complaint. If an expedited appeal involves an ongoing emergency, you may request that the appeal be reviewed by a dental professional in the same or similar specialty as the care under consideration.

d. Filing Complaints with the Texas Department of Insurance

Any person, including persons who have attempted to resolve complaints through our complaint system process and who are dissatisfied with the resolution, may file a complaint in writing with the Texas Department of Insurance at P.O. Box 149091, Austin, Texas 78714-9091, or you may call their toll-free number, 1-800-252-3439.

The Department will investigate a complaint against CIGNA Dental to determine compliance with insurance laws within 60 days after the Department receives your complaint and all information necessary for the Department to determine compliance. The Department may extend the time necessary to complete an

investigation in the event any of the following circumstances occur:

- (1) additional information is needed;
- (2) an on-site review is necessary;
- (3) we, the physician or provider, or you do not provide all documentation necessary to complete the investigation; or
- (4) other circumstances occur that are beyond the control of the Department.

CIGNA Dental cannot retaliate against a Network General Dentist or Network Specialty Dentist for filing a complaint or appealing a decision on your behalf. CIGNA Dental will not cancel or refuse to renew coverage because you or your Dependent has filed a complaint or appealed a decision made by CIGNA Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a Dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. CIGNA Dental coordinates benefits only for specialty care services.

XIII. Disenrollment From the Dental Plan - Termination of Benefits

Except as otherwise provided in the Sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan/termination of benefits and coverages will be as follows:

A. Termination of Your Group

1. due to nonpayment of Premiums, coverage shall remain in effect for 30 days after the due date of the Premium. If the late payment is received within the 30-day grace period, a 20% penalty will be added to the Premium. If payment is not received within the 30 days, coverage will be canceled on the 31st day and the terminated members will be liable for the cost of services received during the grace period.
2. either the Group or CIGNA Dental Health may terminate the Group Contract, effective as of any renewal date of the Group Contract, by providing at least 60 days prior written notice to the other party.

B. Termination of Benefits For You and/or Your Dependents

1. the last day of the month in which Premiums are not paid to CIGNA Dental.
2. the last day of the month in which eligibility requirements are no longer met.
3. the last day of the month in which your Group notifies CIGNA Dental of your termination from the Dental Plan.
4. the last day of the month after voluntary disenrollment.
5. upon 15 days written notice from CIGNA Dental due to fraud or intentional material misrepresentation or fraud in the use of services or dental offices.
6. immediately for misconduct detrimental to safe plan operations and delivery of services.
7. for failure to establish a satisfactory patient-dentist relationship, CIGNA Dental will give 30 days written notification that it considers the relationship unsatisfactory and will specify necessary changes. If you fail to make such changes, coverage may be cancelled at the end of the 30-day period.
8. upon 30 days notice, due to neither residing, living nor working in the Service Area. Coverage for a dependent child who is the subject of a medical support order cannot be cancelled solely because the child does not reside, live or work in the Service Area.

When coverage for one of your Dependents ends, you and your other Dependents may continue to be enrolled. When your coverage ends, your Dependents coverage will also end.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

Under Texas law you may also choose continuation coverage for you and your Dependents if coverage is terminated for any reason except your involuntary termination for cause and if you or your Dependent has been continuously covered for 3 consecutive months prior to the termination. You must request continuation coverage from your Group in writing and pay the monthly Premiums, in advance, within 31 days of the date your termination ends or the date your Group notifies you of your rights to continuation. If you elect continuation coverage, it will not end until the earliest of:

- A. 6 months after the date you choose continuation coverage;
- B. the date you and/or your Dependent becomes covered under another dental plan;
- C. the last day of the month in which you fail to pay Premiums; or
- D. the date the Group Contract ends.

You must pay your Group the amount of Premiums plus 2% in advance on a monthly basis.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the CIGNA Dental conversion plan. You must enroll within three months after

becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date your Group coverage ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- A. permanent breakdown of the dentist-patient relationship;
- B. fraud or misuse of dental services and/or Dental Offices;
- C. nonpayment of Premiums by the Subscriber; or
- D. selection of alternate dental coverage by your Group.

Benefits for conversion coverage will be based on the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Premiums will be the CIGNA Dental conversion premiums in effect at the time of conversion. Conversion premiums may not exceed 200% of CIGNA Dental's premiums charged to groups with similar coverage. Please call the CIGNA Dental Conversion Department at 1-800-CIGNA24 to obtain rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

CIGNA Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about CIGNA Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your member plan materials. You may obtain additional information about CIGNA Dental's confidentiality policies and procedures by calling Member Services at 1-800-CIGNA24 or via the Internet at www.cigna.com.

XVIII. Miscellaneous

- A. As a CIGNA Dental plan member, you may be eligible for various discounts, benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at www.cigna.com for details.

If you are a CIGNA Dental Care member you may also be eligible for additional dental benefits during certain health conditions. For example, certain frequency limitations for dental services may be relaxed for pregnant women and members participating in certain disease management programs. Please review your plan enrollment materials for details.

- B. **Notice:** Any notice required by the Group Contract shall be in writing and mailed with postage fully prepaid and addressed to the entities named in the Group Contract.
- C. **Incontestability:** All statements made by a Subscriber on the enrollment application shall be considered representations and not warranties. The statements are considered to be truthful and are made to the best of the

Subscriber's knowledge and belief. A statement may not be used in a contest to void, cancel, or non-renew an enrollee's coverage or reduce benefits unless it is in a written enrollment application signed by you, and a signed copy of the enrollment application is or has been furnished to you or your personal representative.

This Certificate of Coverage may only be contested because of fraud or intentional misrepresentation of material fact on the enrollment application.

- D. **Entire Agreement:** The Contract, Pre-Contract Application, amendments and attachments thereto represent the entire agreement between CIGNA Dental Health and your Group. Any change in the Group Contract must be approved by an officer of CIGNA Dental Health and attached thereto; no agent has the authority to change the Group Contract or waive any of its provisions. In the event this Certificate contains any provision not in conformity with the Texas Health Maintenance Organization Act (the Act) or other applicable laws, this Certificate shall not be rendered invalid but shall be construed and implied as if it were in full compliance with the Act or other applicable laws.

CDO12 M

Federal Requirements

The following pages explain your rights and responsibilities under federal laws and regulations. Some states may have similar requirements. If a similar provision appears elsewhere in this booklet, the provision which provides the better benefit will apply.

V2

Notice of Provider Directory/Networks

Notice Regarding Provider Directories and Provider Networks

If your Plan utilizes a network of Providers, a separate listing of Participating Providers who participate in the network is available to you without charge by visiting www.cigna.com; mycigna.com or by calling the toll-free telephone number on your ID card.

Your Participating Provider network consists of a group of local dental practitioners, of varied specialties as well as general practice, who are employed by or contracted with CIGNA HealthCare or CIGNA Dental Health.

FDRL79

Qualified Medical Child Support Order (QMCSO)

A. Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

B. Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

C. Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

FDRL2

V1

Coverage of Students on Medically Necessary Leave of Absence

If your Dependent child is covered by this plan as a student, as defined in the Definition of Dependent, coverage will remain active for that child if the child is on a medically necessary leave of absence from a postsecondary educational institution (such as a college, university or trade school.)

Coverage will terminate on the earlier of:

- The date that is one year after the first day of the medically necessary leave of absence; or
- The date on which coverage would otherwise terminate under the terms of the plan.

The child must be a Dependent under the terms of the plan and must have been enrolled in the plan on the basis of being a student at a postsecondary educational institution immediately before the first day of the medically necessary leave of absence.

The plan must receive written certification from the treating physician that the child is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.

A “medically necessary leave of absence” is a leave of absence from a postsecondary educational institution, or any other change in enrollment of the child at the institution that starts while the child is suffering from a serious illness or condition; is medically necessary; and causes the child to lose student status under the terms of the plan.

FDRL80

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child’s adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the “Exception for Newborns” section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

FDRL6

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

FDRL75

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

FDRL74

Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee’s military leave of absence. These

requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

A. Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any “Conversion Privilege” shown in your certificate.

B. Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your Employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a “qualifying event” that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under Basic Benefits which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan’s coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct, or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The

sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

FDRL85

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

FDRL21

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with CIGNA;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

FDRL22

V1

Employer’s Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.

- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The

premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member. For example:

If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation;
- Your child ceases to qualify as a Dependent under the Plan; or
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period.

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your

COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

Trade Act of 2002

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under “Termination of COBRA Continuation” above.

Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.
